

## Financial Information

Facility Fees □ This facility's fees cover the use of the facility only. The facility fees do not include laboratory, pathology, surgeon, anesthesiologist, certified nurse anesthetist fees, nor does it include the cost of any implants used for your surgery. You will be billed separately for these fees.

- If you require special financial arrangements, please phone our office prior to your surgery to discuss alternative methods of payment.

### CareCredit

CareCredit ranges in plans extending to 60 months. Eligibility for length of plan is based on a patient's out-of-pocket expense. It allows patients to pay over time with up to 18 months interest free. Patients can apply online directly at our facility, by visiting [www.carecredit.com](http://www.carecredit.com) for an online application or calling (800) 365-2895 for an Automated Phone Application.

### Collections and Payment Policy

- Be prepared to pay any co-pay or deductible amounts on the day of your surgery.
- Patients who do not have insurance coverage or those having cosmetic surgery are also required to pay their charges in advance.
- We will bill your primary and secondary insurance carriers or governmental agency directly for the facility's charges.
- This facility accepts cash, cashier's checks, credit cards, and personal checks with a valid I.D.

### Insurance

- We will bill your primary and secondary insurance carriers or governmental agency directly for the facility's charges.
- Be sure to bring your most current insurance, Medicare, or public assistance card with you on the day of your surgery. If you have more than one insurance carrier, we will also need accurate secondary billing information.
- Please be aware of any admission policies your insurance plan may have. You or your physician may have to adhere to certain requirements in order to insure maximum reimbursement. Failure to obtain pre-authorization, physician referral, or a second opinion may greatly reduce or eliminate your benefits.

### Medicare

Medicare beneficiaries are welcome to receive services at this facility. This facility is certified by Medicare and complies with specified physical plant, staffing, safety and governance standards.
